

Halifax Regional Municipality and Halifax Water addressed 90% of the recommendations from three audits released in 2017, Auditor General, Evangeline Colman-Sadd, said in her follow-up report released today, February 19th.

The audits followed up included Contract Management, Management of Surplus Buildings and Land, and Management of Drinking Water Safety. “We are pleased with the extent to which management has dealt with known issues and we hope this continues,” the auditor general said.

The report is available on the auditor general’s website.

FOR BROADCAST USE:

In her report released today, Auditor General Evangeline Colman-Sadd said HRM and Halifax Water have addressed 90% of the recommendations from three Auditor General reports released in 2017.

The audits followed up included Contract Management, Management of Surplus Buildings and Land, and Management of Drinking Water Safety.

The report is available on the auditor general’s website.
